- **Upcoming meeting:** Our next monthly chapter meeting date: **6-8 p.m. Wednesday, Nov 29 in room 354 of the F. Paul Anderson Tower (on UK's Campus in the Engineering Quad)**. We will be welcoming Ryan Harvey, PE as our speaker, who will be addressing: "How to Ask for a Raise/Negotiating." Ryan is the CEO of two companies and an outstanding speaker on the topic in addition to being an exceptional advocate for female engineers. A calendar event has been sent to all members, but please reach out if you need information! Please RSVP ASAP for this event if you plan to join in-person, as Ryan has generously offered to cover the meal for our group and we need to plan accordingly. The meeting will also be available via a Teams link for those who cannot attend in-person. Please RSVP only if you plan to join in-person.
- **October Meeting Recap:** Thanks to everyone who was able to attend our October meeting at Country Boy! A big thank you to Ava Ruppert for sharing her career progression and experiences with us!
- **GEMS Outreach Recap:** Understanding binary is essential to understanding computer architecture. Kelsey and Erin led three workshops at the Girls of Engineering Math and Science (GEMS) event at Morehead State University to explore the basics of how computers use binary and make friendship bracelets featuring custom binary encodings. A huge thank you to Kathryn Reardon for the workshop concept and thanks to the Center for STEM+eXcellence for another fantastic year!

- **Introducing our new Instagram account!** Follow us on Instagram: @swe_bluegrass
- **Interested in leadership?** We are still looking to fill a couple committee chair roles: Hospitality, Outreach: E-Day, and Nominating. Taking a chair role will earn you a free professional membership for one year! If you would like more information about any of these roles, please respond to this email.
- **Are you a member of SWE?** If you would like to know more about The Society of Women Engineers including how to become a member, please visit [SWE memberships](#). There are different types of memberships to consider, and any gender is welcome to join. You don't have to be a member of The Society of Women Engineers to belong to Bluegrass SWE!
