

January Bluegrass SWE Meeting

Tuesday, Jan 21, 11:30-1:00. We hope you can join us for our January meeting. Lunch is provided. If you would like to be added to the calendar invite, please reply to bluegrass@swe.org.

Agenda

1. Complete Self Assessment Survey
2. Discuss SWENext Challenge
3. E-Day preview

[Send us an email to get the invite](#)

Meeting Lunch Signup

Can you help by bringing lunch or dinner for one of the monthly SWE meetings? It doesn't have to be anything fancy. Pizza or sub sandwiches are both easy options. Choose anything that sounds good to you and surprise us with something yummy. (Note that a vegetarian option would be appreciated, if possible.) Typically, we have between 10 and 15 people in attendance. A final count will be provided to you a few days before the meeting. SWE has a budget for each meeting - moving to approximately \$50 per meeting. You can reach out to Christina Cullins with questions concerning budget. Pay in advance, then bring your receipt so that you can get reimbursed. Don't worry about bringing plates, napkins, utensils, cups or drinks. We've already got that covered.

Are you a member?

If you would like to know more about The Society of Women Engineers including how to become a member, go to [Society of Women Engineers](#) - There are different types of memberships to consider such as Joint Memberships. Professional and Collegiate members can join SWE and either the American Indian Science and Engineering Society (AISES), the National Society of Black Engineers (NSBE), or the Society of Hispanic Professional Engineers (SHPE) at a single, discounted rate.

NOTE: SWE membership is open to all genders. All SWE memberships coincide with the SWE fiscal year that runs from July 1 - June 30** and early renewal/join begins every April. You don't have to be a member of The Society of Women Engineers to belong to Bluegrass SWE.

Bluegrass SWE Outreach

UK E-DAY, Saturday, February 22, 2020 – Bluegrass SWE will host an activity for Engineers Day, or E-Day, which is a celebration of everything engineering has to offer. From building bridges to discovering new medications to writing the software that powers our cell phones, engineers and computer scientists do the things that make our 21st-century world work.

Future Meeting Dates

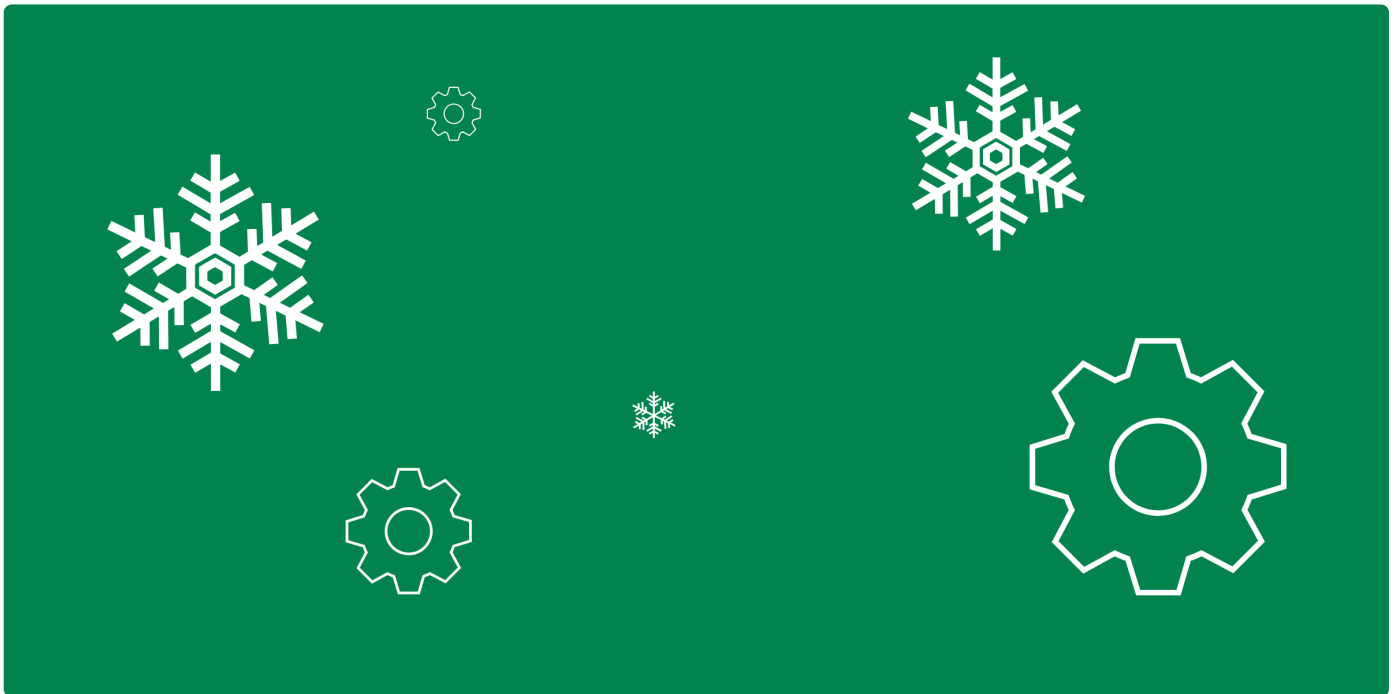

Mark your calendars for these 2020 dates for monthly Bluegrass SWE Meetings: Feb 11, Mar 10, April 14, May 12.

SWE Officers

We are in need of an Outreach Chair for one event. If you have a desire to reach young women with all that STEM offers, consider joining this amazing group of women who work together to make Bluegrass SWE happen. The event needing a chair is the Youth Science Summit in June. We also have a SWE Next Club in Georgetown led by Donna Russell and hope to start another one. There are always invitations to other events that we can pick and choose depending on availability of volunteers and activities to offer. We have quite a selection of tried and true SWE activities for outreach that we can pull

from and women who love to offer support for these activities through helping with planning and volunteering at the events.
