SUPPORT – Company Donation Matching

SWE CT is in the process of creating an endowment for our Annual Jean R. Beers scholarship and is actively seeking monetary support to establish this fund.

We are seeking your help!....Did you know that many Engineering companies provide **donation matching** based on monetary contributions or volunteer hours? Please consider including SWE CT in your annual giving plan.

SUPPORT – iGive and Amazon.Smile

Did you know you could shop online and donate to SWE CT at the same time? The holidays are right around the corner and there are two resources below that will donate to our SWE CT Scholarship at no cost to you!

iGive- Donates a percentage of purchases from participating online stores to SWE CT!

- Go to iGive.com and create an account, after you create an account select " Society of Women Engineers - CT" as your cause. There are two ways you can use iGive: you can go through the website and click on the stores you like to shop at or set up the iGive Button on Google Chrome which will recognize the companies that participate when you go to their website.

Amazon Smile- Donates a percentage of your purchases to SWE CT!

- If you use Amazon, instead of going to Amazon.com type [Amazon.smile.com](https://www.amazon.com/smile) in your browser. Once you are logged in you can set your supporting organization to "Society of Women Engineers Connecticut". This can also be set up through your Amazon App!
