Connecticut Women's Hall of Fame - Women Who Build

The Connecticut Women's Hall of Fame (<https://www.cwhf.org/>) is looking for 2023 Induction Nominees under the theme of *Women Who Build*. This could be someone who has built a company, product, etc. They are looking for women, especially women of color, who have been involved in their careers for many years. They must have been born in CT or have lived here for a very long time.

Have they supported women? Are they a first in their field?

Please share any nominations you have by **November 3rd**.

Volunteers Needed!

SUPPORT - Company Donation Matching

SWE CT is in the process of creating an endowment for our Annual Jean R. Beers scholarship and is actively seeking monetary support to establish this fund.

We are seeking your help! Did you know that many Engineering companies provide donation matching based on monetary contributions or volunteer hours? Please consider including SWE CT in your annual giving plan or see below for other ways to donate:

- iGive - Donates a percentage of purchases from participating online stores to SWE CT! Go to iGive.com and create an account, after you create an account select " Society of Women Engineers - CT" as your cause. There are two ways you can use iGive: you can go through the website and click on the stores you like to shop at or set up the iGive Button on Google Chrome which will recognize the companies that participate when you go to their website.
- Amazon Smile - Donates a percentage of your purchases on Amazon to SWE CT! If you use Amazon, instead of going to Amazon.com type Smile.Amazon.com in your browser. Once you are logged in you can set your supporting organization to "Society of Women Engineers Connecticut". This can also be set up through your Amazon App.
