### [Adaptive Toy Build Day at Marquette](#)

Marquette is having an Adaptive Toy Build Day on November 4 and November 18 from 10am-3pm. Before the actual Toy Build Day, you will need to do a 1hr training at Marquette to learn how to modify a toy. The toy build event will consist of working with your team to lead 4-5 high school students to build the toys. If this is something that you are interested in, please fill out the google form. This will help us gauge interest to see if we can get a van.

### [Volunteering Opportunity: Blood Drive](#)

Volunteer to help out with the MSOE Blood Drive on September 26th. They could use volunteers to help with set-up, tear down, and navigating the café space, and registering donors. There are as little as 30 minute sessions for volunteering.

### [Girl Scout Stem Day](#)

Help out with Girl Scout STEM day. It is October 7th from about 9:30 am - 3pm. Volunteers are needed for multiple slots so if you would like to volunteer and help out.

### [Brady Corporation R&D Facility Visit](#)

Brady Corporation has invited us to tour their R&D Facility in Glendale. Fill out the interest form so we can get availability. Between driving and the tour, I would estimate it being a 2-3 hour commitment, but SWE is going to try to provide transportation for all interested students and if the event is over lunch, Brady Corp will provide lunch!

### [T-Shirt Sale](#)

Interested in SWE Swag? Extra t-shirts from previous years are on sale for \$5! Limited sizes and quantities are available for each style. There may be additional sizes added periodically, based on what the form limiter allows, so please check back in or message Lexi Such, [sucha@msoe.edu](mailto:sucha@msoe.edu), on Teams with questions.

### [Mingling with Mocktails](#)

If you are available from 2-3pm and 7-7:30pm on Wednesday, September 27th to volunteer with SWE to introduce yourself to company reps and walk them from the Kern to Diercks Hall, please fill out this form. You will be contacted the day before the event with the list of companies you are assigned to.

# SWE Committees

## K-12 Outreach

This committee is led by Gabby Scott. The focus of this committee is to plan social events that can provide a place of community.

## K-12 Outreach

This committee is led by Dani Krogh. The focus of this committee is to find volunteers and plan K-12 outreach events, such as Hands on Future.

## Company Connections

This committee is led by Michaela Haengen. The focus of this committee is to work with companies to plan Lunch & Learns and more!

## Fundraising

This committee is led by Lexi Such. The focus of this committee is to organize fundraising opportunities

## HeForSWE

This committee is led by Thomas Benzshawel. The focus of this committee is to increase allies and promote diverse opinions.
