SWE EVENTS

HALLOWICS

You're Invited to HalloWICS - The Ultimate Halloween Networking Event!

 **Date:** October 30th, 2023
 **Time:** 6:00 PM - 9:00 PM
 **Venue:** Campus Center NJIT

 Hosted by: WICS (Women in Computer Science) and SWE (Society of Women Engineers)

Join us for a spooktacular evening of networking, fun, and delicious treats at HalloWICS! This Halloween, WICS and SWE are teaming up to bring you the most fang-tastic event of the year.

Connect with fellow students, professionals, and industry experts in a relaxed and welcoming environment. It's a perfect opportunity to expand your network, exchange ideas, and maybe even brew up some collaborations.

And speaking of treats, we've got a spooktacular buffet lined up for you. Savor delicious Halloween-themed snacks, savory bites, and wickedly sweet desserts. You won't want to miss out on these tasty surprises!

We can't wait to see you at HalloWICS. Get ready for a evening of networking, costumes, and camaraderie.

 Haunt you there! 
 **GETINGE TOUR** 

Join us for the upcoming Getinge Office Tour, a unique chance to witness innovation in action!

EMMA B OPPORTUNITIES

The Society of Women Engineers (SWE) is delighted to share exciting update opportunities from the Emma B Foundation. The foundation, dedicated to empowering aspiring professionals, has introduced a range of compelling initiatives. These include new internship programs that offer invaluable hands-on experiences, skill-building workshops, and access to mentorship opportunities. As SWE continues to champion the success of its members, we encourage you to stay informed about the Emma B Foundation's forthcoming events, application deadlines, and more. Together with the foundation, SWE remains committed to supporting your journey toward a successful and impactful career. Stay tuned for the latest developments and embark on this inspiring journey with us!

EBF

The Emma Bowen Foundation
EBF Fellows Summer Internship Program

More than an internship

Whether you're interested in being a producer, a journalist, a web developer, an engineer, a business executive, a PR agent, a sales representative, or any other career in media, entertainment or tech, the EBF Summer Internship is here to help you get your start. EBF promotes a more diverse industry by recruiting promising students of color for multi-year paid internships at some of the nation's leading companies.

Benefits:

- Belong to a lifelong community of EBF peers, alumni, professionals, and partners
- In addition, you'll have access to:
 - A multi-year paid summer internship
 - On-the-job training from top professionals and industry executives
 - A team committed to your professional growth
 - The EBF Launch Career Activation Program and mentoring
 - The EBF Annual Summer Conference
 - Need-based academic scholarships

 **SWE NEWS** 

🏆 REVERSE CAREER FAIR 🏆

The Society of Women Engineers (SWE) at NJIT hosted a groundbreaking event, the Reverse Career Fair, where roles of recruiters and students were swapped. This unique event brought industry professionals and company representatives to NJIT.

Instead of the usual career fair setup, where students visit company booths, this event showcased NJIT's clubs and organizations. The campus was buzzing with displays from various clubs, demonstrating their work and impact.

For recruiters, the Reverse Career Fair offered a fresh perspective. They explored NJIT students' talents and projects, opening avenues for collaboration and sponsorship.

This event fostered interactions between students and professionals, connecting academia and industry. It underscored SWE's commitment to innovative opportunities for students and industry partners, emphasizing the importance of meaningful connections.
