🌸 EMMA B OPPORTUNITIES 🌸

The Society of Women Engineers (SWE) is delighted to share exciting update opportunities from the Emma B Foundation. The foundation, dedicated to empowering aspiring professionals, has introduced a range of compelling initiatives. These include new internship programs that offer invaluable hands-on experiences, skill-building workshops, and access to mentorship opportunities.

As SWE continues to champion the success of its members, we encourage you to stay informed about the Emma B Foundation's forthcoming events, application deadlines, and more. Together with the foundation, SWE remains committed to supporting your journey toward a successful and impactful career. Stay tuned for the latest developments and embark on this inspiring journey with us!

EBF
The Emma Bowen Foundation
EBF Fellows Summer Internship Program

More than an internship

Whether you're interested in being a producer, a journalist, a web developer, an engineer, a business executive, a PR agent, a sales representative, or any other career in media, entertainment or tech, the EBF Summer Internship is here to help you get your start. EBF promotes a more diverse industry by recruiting promising students of color for multi-year paid internships at some of the nation's leading companies.

Benefits:

Belong to a lifelong community of EBF peers, alumni, professionals, and partners

In addition, you'll have access to:

- A multi-year paid summer internship
- On-the-job training from top professionals and industry executives
- A team committed to your professional growth
- The EBF Launch Career Activation Program and mentoring
- The EBF Annual Summer Conference
- Need-based academic scholarships

Business

🌟 SWEDNESDAYS 🌟

Introducing "Swednesdays" - Your VIP Pass to SWE's Inner Circle!

Takeover of the Week: Neeraja Dave (Internal Events Coordinator)

 How to Participate:

- + Tune in to our Instagram every Wednesday.
- + Meet the featured board member of the week.
- + Engage in Q&A sessions, polls, and more!
- + Gain insights into the exciting world of SWE at NJIT

 Follow us on Instagram: @njit_swe

 Have Questions? DM or Reach out to us at office hours

Introducing
swednesdays
Women in Engineering Wednesdays

Stay tuned for a day-in-the-life by our eboard members on Wednesdays this Fall Semester!! From conferences to study sessions to work-life balance, we will cover everything to help set you up for success!

+ SWE RECAP +

♟ SWE CONFERENCE ♟

Participating in the Women's Empowerment 2023 (WE2023) conference in Los Angeles proved to be an invaluable and enriching experience for our Executive Board. During the event, we actively engaged in a series of enlightening workshops, focused on fostering women's personal and professional development as well as nurturing early career growth.

Our schedule during the conference was complemented by exploratory ventures into the vibrant city of Los Angeles. Among our excursions, we visited the renowned Hollywood Graffiti Square, where the artistic and cultural essence of this iconic district left a profound impression on our team. Additionally, we enjoyed the scenic beauty and entertainment options at the Santa Monica Pier, further enhancing our understanding of the diverse culture and entertainment offerings that the city has to offer.

Beyond the educational benefits of the workshops, these outings also served as a splendid opportunity for our Executive Board to strengthen our camaraderie and team cohesion. The shared experiences in these iconic locations not only enriched our personal perspectives but also fostered a deeper sense of unity and collaboration among our team members.

As we return from our journey to WE2023 in Los Angeles, we are eager and determined to apply the knowledge and insights gained from the conference to the betterment of our organization and its members. The experiences and lessons acquired during this trip have fortified our commitment to advancing the goals and objectives of our institution, ultimately working towards the empowerment and professional development of all our members.
