

Dear Friends of SWE,

Each year, the Society of Women Engineers (SWE) Pittsburgh Section delivers local community and educational programs to help the present and next generations of engineers aspire, advance, and achieve. We rely on the generous support of our sponsors to expand our outreach and to accomplish our goals.

You can help the SWE Pittsburgh Section by becoming a corporate sponsor of our programs. SWE Pittsburgh files the electronic postcard with the IRS for 501(c)3 educational non-profits with less than \$25,000 in income. Annual financial reports are sent to SWE headquarters and are available upon request.

SWE Pittsburgh Leadership Summit 2023

SWE encourages and supports women engineers to achieve their full potential in college and throughout their career. On **September 30, 2023**, SWE Pittsburgh will host the **SWE Pittsburgh Leadership Summit** for local collegiate SWE leaders to help them advance their organizations and achieve their goals. We are seeking sponsors to enable us to host this important program that helps build our future female engineering leaders. ***This event is a great opportunity for your company to engage and network with SWE Pittsburgh and the local collegiate SWE sections.*** We offer three levels of sponsorship, including the option to send representatives from your company to attend lunch with summit attendees.

Sponsorship levels are as follows:
