## Thank You to Our SWE-HA Volunteers!

We deeply appreciate all our volunteers. None of the amazing events that we offered this year would have happened without you.

Shoutout to our FY22 Executive Council members for all their efforts in growing SWE-HA. A tremendous thank you for the gift of your time, talents, and leadership. You leave a great legacy for us to continue.

We look forward to a new year and can't wait to continue to serve the community and carry out our mission:

- stimulate women to achieve full potential in careers as engineers and leaders,
- expand the image of the engineering profession as a positive force in improving the quality of life, and
- demonstrate the value of diversity.
