# Volunteer Opportunities

SWE-HA actively creates and participates in outreach events that support our mission to encourage young, bright ladies in pursuing a career in STEM. We always welcome volunteers who can help with scholarship committee/judging, STEM toy drive in November, girl scouts badge day, and many other events. Check out our [Outreach Website Page](#) for all our current opportunities. Events in the next two weeks are listed below. If you're interested in signing up for any of the events below or have any questions about the opportunities, please reach out to Katherine Hoerner at [vp\\_careerguidance@houston swe.org](mailto:vp_careerguidance@houston swe.org).

# From the SWE-HA Team

**Thank You From Our Past President**

As we close out the FY23 fiscal year, I would like to take this opportunity to thank everyone including the committee chairs, committee members, BOT members, volunteers and especially the executive board for making this a great year. I appreciate each of you and we could not possibly run this section without the help, support and donation of your time, energy and effort. We've had an awesome year, with a number of events including hosting WE22 here in Houston last year. This year's executive board hit the ground running and I can not thank them enough for their leadership, fortitude and perseverance in keeping this section moving forward. We far exceeded our goal this year to "Strengthen Community Relationships (through WE22 conference, corporate partnerships, & collaboration with other organizations)".

SWE closed out FY23 with over 43K total paid members, the largest membership to date and this includes over 17K new members. For us specifically, next to members at large, Houston Area is the largest professional section with over 1000 members. We all should be proud of the sponsorship and promotion of SWE to the local Houston community.

Being in the this leadership role with SWE Houston this year has been an honor. I encourage each of you to please take the time to network and learn about the different volunteer opportunities SWE Houston Area has to offer. Please join us in supporting our incoming Executive Committee and BOT members. We are excited for FY24 which begins July 1st.
