October Executive Committee Meeting

You're invited to come sit in on our October EC meeting which will be held in person following the October Coffee + Networking!

Introduce a Girl to Engineering Day

Introduce a Girl to Engineering Day will be on Saturday, November 11th! Student registration is open now through October 27th! IAGTE is a free, all day event providing interactive workshops to expose girls to different disciplines of engineering. Parents, guardians, teachers, counselors, administrators and leaders are encouraged to participate in the Parent Educator Program (PEP). The program will highlight innovative education tactics to teach girls STEM and keep them engaged. You will hear from speakers about the psychology, peer pressure, and ways to help your child and/or student see the creative and rewarding side to STEM.

Date: Saturday, November 11th, 2023

Time: 9:00 AM - 2:00 PM

Location: University of Houston Downtown

Price: Free

From the SWE-HA Team

Join the ARTS, BEATS, &
EATS SWE-HA Group Chat

Are you looking for to get out and explore the performing arts scene in Houston? Want to have likeminded people to attend the theatre, concerts, opera, and ballet with? Use the link below to join our SWE-HA ARTS, BEATS, & EATS WhatsApp group.

[Join the WhatsApp Group](#)

SWE-HA would like to begin highlighting and celebrating the achievements of our outstanding members on a regular basis via a "SWE Member Spotlight" section on our website.

Were you inspired by a fellow SWE-HA member's recent promotion, award, publication, patent, participation on an industry panel, speaking role at a conference, feature in an article/news segment, or dedication to a volunteer cause?

Do you have an accomplishment or achievement? We'd love to feature you!

We would like to recognize our members for the awesome efforts they put in to help the section. This may be a recognition of a volunteer at event or someone who stepped up to help with set-up. It's a pause to recognize even the littlest of things that help make our members and section fantastic!

We want to get to know you, our members! Our member spotlight provides a space for a member to provide a 200-300 word count write-up, introducing themselves to the section. We also encourage that you include 1 photo of yourself for inclusion with the article.

Please take a moment to empower a fellow SWE-HA member (or yourself!) by recognizing their exciting accomplishment using the form below!

Note: We will reach out to the nominee prior to posting for confirmation of recognition. Thanks!

**MENTORSHIP
PROGRAM**

2024

Call for Mentors and Mentees!

Want to get involved with our Mentorship Program? Apply now by 9/29 to participate in the 2023-2024 year!

Volunteer Opportunities

VOLUNTEER WITH SWE-HA AT ENERGY DAY 2023

Energy Day is Houston's largest annual FREE family festival showcasing science, technology, engineering, and mathematics (STEM). Energy Day has nearly 70 interactive demonstrations and exhibits that teach students and their families about the various forms of energy through STEM fields, along with efficiency, conservation, and other related STEM industries.

Saturday October 21st, 2023

Sam Houston Park

Shifts from 10:30 AM - 3:30 PM

Questions? Email us @
vp_outreach@houston swe.org

SWE-HA will be hosting an interactive booth at Houston's Energy Day 2023. Energy Day is Houston's largest annual FREE family festival showcasing science, technology, engineering, and mathematics (STEM). As a volunteer you will help lead visitors through the activity, answer questions about engineering, and more!

Sign up to volunteer using the link provided.

Date: Saturday, October 21, 2023

Time: 10:30 AM - 3:30 PM

Location: Sam Houston Park (1000 Bagby St, Houston, TX 77002)

IAGTE Planning Volunteers Needed

Planning is in full swing for this FY's Introduce a Girl to Engineering Day, which will take place on November 11th, 2023. **We are still looking for someone to fill the role of the Parent and Educator Program (PEP) Lead.**

This role is responsible for organizing the PEP session which is offered to parents and educators during the IAGTE event. Our PEP Lead will help to plan a day filled with speaker, panel, and even an activity session for parents and educators who are interested in learning how to get their students engaged in STEM.

Interested in volunteering for this role? Reach out to Katherine Hoerner at vp_outreach@houstonse.org for more information.

SWE-HA actively creates and participates in outreach events that support our mission to encourage young, bright ladies in pursuing a career in STEM. We always welcome volunteers who can help with scholarship committee/judging, STEM toy drive in November, girl scouts badge day, and many other events. Check out our [Outreach Website Page](#) for all our other current opportunities!

CALL FOR
FY24 CHAIR AND COMMITTEE
VOLUNTEERS

Call for FY24 Volunteers!

Interested in getting more involved this FY24 year?

Fill out this survey to let us know that you'd like to join a SWE-HA FY24 committee or take on a committee chair role!

Feel free to reach out to the past FY23 Chairs as well as the FY24 Executive Board Member to learn more.

Do you or your company want to support female students in engineering with a scholarship?

Society of Women Engineers (SWE)-Houston Area gives you the ability to make a tax-deductible donation to our scholarship fund and support students with their education. Our team does all the work on marketing to applicants and selecting qualified candidates based upon your criteria. To create a named scholarship for the 2024-2025 school year, visit

<http://www.houstonswe.org/sponsor-a-named-scholarship.html>
and make your donation by December 1, 2023

If you have any questions regarding Named Scholarship Sponsorships, please contact our Scholarship Chair Judy Moses at swe.ha.scholarship@gmail.com.

Professional Development Speaker Opportunities

Are you interested in being a speaker or know someone who would be a great speaker for one of our Professional Development events?

Fill out the form below to be added to our speaker database.
