Open Volunteer Role: Industrial Support Chair (a.k.a External Relations)

Would you like to have a more active role in our SWE-HA section? Does the role of managing external relations for the SWE-HA section spark your interest? Would you like to do it but don't have a lot of experience with external relations yet? Then this Chair position is for you!

If you are interested or have questions about this position, please contact Camila Mancia via **text/call at 281-380-3576** or via email at vp_external@houston swe.org.

Brief Role Summary: The Industrial Support Chair works with the External Vice President to reach out to companies that SWE-HA already has a partnership with or companies that expressed interest in sponsoring our events. This Chair coordinates the donations (who gives money to what event) until it is time to hand it over to the Treasurer, who will process and allocate the payment towards each SWE-HA initiative. The Industrial Support Chair will work with the SWE-HA External Vice President and Executive Council to create a better system to collect and track donations this year, outside of the Sponsorship Packet and associated forms.
