CALL FOR FY24 CHAIR AND COMMITTEE VOLUNTEERS

Call for FY24 Volunteers! Are you interested in any of these positions?

Open Volunteer Role: Industrial Support Chair (a.k.a External Relations)

Would you like to have a more active role in our SWE-HA section? Does the role of managing external relations for the SWE-HA section spark your interest? Would you like to do it but don't have a lot of experience with external relations yet? Then this Chair position is for you!

If you are interested or have questions about this position, please contact Camila Mancía via **text/call at 281-380-3576** or via email at vp_external@houston swe.org.

Brief Role Summary: The Industrial Support Chair works with the External Vice President to reach out to companies that SWE-HA already has a partnership with or companies that expressed interest in sponsoring our events. This Chair coordinates the donations (who gives money to what event) until it is time to hand it over to the Treasurer, who will process and allocate the payment towards each SWE-HA initiative. The Industrial Support Chair will work with the SWE-HA External Vice President and Executive Council to create a better system to collect and track donations this year, outside of the Sponsorship Packet and associated forms.

Open Volunteer Roles: Girl Scout Chair & Planning Committee Members

The Girl Scout Planning Committee will be responsible for helping to coordinate the (4) Think Like an Engineer Badge days offered monthly January - April. Responsibilities include organizing supplies for activities, securing volunteers, and planning as well as participating at the event(s).

Interested in volunteering for this committee? Fill out the form linked below or reach out to **Katherine Hoerner** at vp_outreach@houston swe.org with questions or additional information.
